How to Benefit from this Reading Plan:

1. Begin 1st thing in the morning (the best time for Bible reading) and give yourself at least 20 mins.
2. Before you start to read, begin with prayer asking God to reveal to you the lessons He wishes for you to learn each day.
3. There are "Reflection/Catch-up" days built into this schedule. Try to not to fall behind, but if you do, these can help you. Using these days to *reflect* on the previous week's readings will really help your spiritual life.
4. Once you have finished your reading, close with a time of prayer, reflecting on the lessons God revealed to you.
5. Journaling can be a great way to help you in *reflecting* on the word of God & His lessons for you.

Bi the Books: A One Year Bible Reading Plan

Bi the Books allows you to finish reading the Bible in one year in as little as 20 minutes per day. It takes readings daily from 2 books of the Bible. The 1st reading will alternate between an Old Testament & New Testament book throughout the year. The 2nd reading will primarily be from the Wisdom books of the Bible (Psalms, Proverbs etc.) This allows an opportunity to skip around to different parts of the Bible throughout the year.
