How to Benefit from this Reading Plan:

1. Begin 1st thing in the morning (the best time for Bible reading) and give yourself at least 20 mins.
2. Before you start to read, begin with prayer asking God to reveal to you the lessons He wishes for you to learn each day.
3. There are "Reflection/Catch-up" days built into this schedule. Try to not to fall behind, but if you do, these can help you. Using these days to *reflect* on the previous week's readings will really help your spiritual life.
4. Once you have finished your reading, close with a time of prayer, reflecting on the lessons God revealed to you.
5. Journaling can be a great way to help you in *reflecting* on the word of God & His lessons for you.

2 X 2 ONE YEAR BIBLE READING PLAN

This Bible reading plan takes you to 4 books in the Bible daily: 2 from the Old Testament & 2 from the New Testament. This allows you the variety to read through 4 books per day & finish this reading plan in one year.

This plan will add variety to your reading of the Bible throughout the year. It won't be as predictable as other reading schedules.

Why not call this reading plan "2+2" since that also equals 4? Because when you "add" this devotional reading of the Bible to your daily life, God will "multiply" your spiritual growth & blessings.
