

REOPENING CENTRAL CHURCH Presented to the church board for approval on June 9, 2020
(Revised June 8, 2021)

As of June 8, 2021, the following COVID-19 guidelines are in effect for Central Church. The major change is in boldface.

Requirements:

1. If you have a temperature or are feeling sick, stay at home to protect your church family. Or if you think you have been exposed to the coronavirus, stay at home to protect your church family. High-Risk/Vulnerable people should stay at home to protect themselves. If you are unable to attend in person, please worship with us via live streaming.
2. Everyone is to enter through the main entrance. All other doors are to remain locked. Doors to the backrooms are to remain open..
3. **Those who are unvaccinated should wear a mask over nose and mouth. Please bring your own mask, if you have one. Only if necessary will the church provide a mask for you. Those who are vaccinated are no longer required to wear a mask.**
4. Everyone is expected to use the automatic sanitizer dispensers that are provided to clean their hands before they enter the sanctuary.
5. Offerings can be placed in the box in the foyer before or after church or online at adventistgiving.org. There will be no collection in the sanctuary.
6. Everyone will be directed to their seat by a deacon. Seating will be done from front to back. Please move to the inside marked spot, if it is not occupied. We will be maintaining 6 foot social distancing. The only exception to the 6 foot rule is to allow families to sit together in a single pew in a side section (not the center) but will still be escorted to their seats by a deacon.
7. If you need to use the restroom, please use the upstairs restrooms or one of the restrooms in the back rooms behind the piano or organ. Please use the provided spray and a paper towel to disinfect when you are finished.
8. Everyone will be dismissed by the deacons from back to front and will be expected to keep moving at proper social distance until they are outside the building. Everyone will exit through the main entrance. Please move far enough away so others may exit with proper social distancing.
